**MCINTOSH DEBUTS “ICONIC” WALL CLOCK**

*-- Discerning Music Lovers Can Now Show Off Their Passion for Great Home Entertainment;  
Stylish New Clock Is Ideal for Wall Hanging or System Integration --*

**Las Vegas, NV, January 6, 2011** – McIntosh Laboratory, a global leader in home entertainment systems that has defined the highest quality in sound reproduction for over 60 years, now offers discerning consumers a unique opportunity to show off their passion for the brand with the new **MCLK12 Wall Clock**.

Designed to either hang on the wall or to fit in an equipment rack, the McIntosh MCLK12 Wall Clock features illuminated digital meters for hours and minutes, harkening back to the iconic “McIntosh Blue” LED watt meters prominent on the company’s renowned home entertainment components. In addition to its Universal Power Supply, the MCLK12 features a battery back-up system. It is also Power and Meter Control Capable, adding to its usefulness in a fully integrated home entertainment system. The clock will be available as a branding tool for dealers and also for purchase by McIntosh fans.
